Networking • Security Issues • Internet Services • Repairs & Upgrades • Hardware Installation & Maintenance • Quality System Builds

7. List sites of competitors' site and briefly state what you like and dislike about their overall site.

Action

1. What is the primary action you wish your target user to take from the main page of your site? (examples: download, browse, move along a specific path, email, order, explore, click button, call via phone, etc.)
2. What is the primary action you wish your target user to take before leaving you site?
3. Is it the same action as #1? If not, please describe.
4. What elements are key items you wish to be available on every page?

Romeo Computer Company, Inc.

Main Office:
76005 Van Dyke, Romeo, MI 48065
(586) 752-5158 • Fax: 752-7562

Networking • Security Issues • Internet Services • Repairs & Upgrades • Hardware Installation & Maintenance • Quality System Builds

Content

1. Will this site use existing content (copy, art, photos, etc.)? If so, what is the source and who is responsible for approval? If not, will you be creating content in-house or will our group provide content?
2. What is the basic structure of the content and how is it organized? (examples: is the text now on disk or will it need to be key stroked? Are images optimized for the web or are they images used for print? If digital, is it available in PC or Mac format? Is all the content organized in one location, or is it spread across the organization?)
3. What elements do you see as “globals” or appearing on every page?

eCommerce

1. Provide a brief description of the products and categories that will be made available for online purchase.
2. What quantity of different products do you estimate having on the website?

Romeo Computer Company, Inc.

Main Office:

76005 Van Dyke, Romeo, MI 48065
